

CDM Tester

JEDEC, ESDA, AEC, JEITA

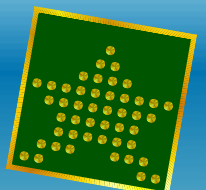

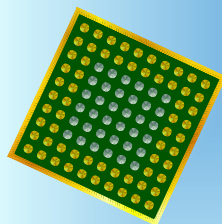

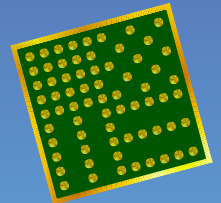

Built-in automatic Humidity control & N2 Enclosed chamber

Fully universal size/configuration DUT

Automatic CDM-waveform capture system

Wide Motion Test area(80mm x 200mm)

Test voltage range: +/-10 V to +/-4000 V (+/-5V steps)

Feature

Built-in automatic Humidity control & N2 Enclosed chamber
Fully universal size/configuration DUT
Automatic CDM-waveform capture system
Wide Motion Test area(80mm x 200mm)
Test voltage range: +/-10V to +/-4000V (+/-5V steps)

■ **Applicable Standards**

JEITA, ESDA, AEC, JEDEC

■ **Capacitance measurement (option)**

Capacity of each pin of the device is measured The data can be saved in text file.

Specification

Model	HED-C5000R
Test model	JEDEC/ESDA/AEC/JEITA
Test Capability	1024 Pins or Higher
Test voltage	+/-10V to +/-4000V
Step voltage	5V
Zap number	1~99 times
Interval time	0.3~9.9s
Test voltage accuracy	1%+5V
Power source	100-240V/2A, 50/60Hz
Outer dimensions	575(W)×400(D)×300(H)
Weight	40Kg
OS	Windows XP / 7
